Introduction

About this book

This book contains 40 pre-primer sight word cut and paste sentence building worksheets intended for use with children in Preschool, Kindergarten (Prep) and Grade 1. The exercises are extremely teacher and student friendly and each worksheet has been designed with larger than normal print to aid young learners, along with simple pictures to assist English language learners.

Directions for use

The worksheets in this packet include the following tasks: reading a sentence, writing the sentence on a handwriting line, drawing a picture to demonstrate comprehension and cutting and paste word tiles in correct order to form the sentence at the top of the page.

The worksheets in this book can be used while working with the entire class, in small groups, or one-on-one with individual children. They can also be assigned as homework for additional practice to reinforce words learnt in the classroom.
