Introduction

About this book

This book contains 2 sets of differentiated CVC and CVCC word family cut and paste worksheets. Each worksheet focuses on one word family and includes 6 words for each focus word family.

The worksheets in this unit are best suited for use with students in Kindergarten (Prep), but they can also be used with high achievers in Preschool and at the beginning of Grade 1 for revision purposes.

Directions for use

The first set of worksheets asks children to colour the pictures on the page, then cut and paste the words from the bottom of the page above the matching pictures. The second set asks children to trace the words on the page, colour the pictures and then cut them out and paste them under the correct word.

Happy Teaching :)
