Introduction

About this book

This unit contains 24 CVC word family flip books. The aim is for children to identify the pictures within the focus word family and write the words on each house.

Directions for use:

To assemble each flip book, cut out the bottom rectangle. Cut the top rectangle and then along the dotted lines to make flaps. Paste the top rectangle (with the flaps cut) on top of the bottom rectangle. Students lift a flap, say the name of the picture under it and then write the name on the top flap in the box provided.

Happy Teaching :)
