Introduction

About this book

The booklets in this packet are best suited for use with students in Kindergarten (Prep) and Grade 1. You will find 20 pre-primer sight word emergent readers, in both color and black and white, as well as 20 response sheets designed to help emergent readers build early comprehension skills.

Directions for use

Print/photocopy the readers using the duplex feature on your device. Cut each reader in half, horizontally, stack them in order and staple on the left side where indicated.

These readers and comprehension sheets can be used while working with the entire class, in small groups, or one-on-one with individual children. They can also be assigned as homework for additional practice to reinforce words learnt in the classroom.

Happy Teaching :)
