Introduction

About this book

This book contains a birthday / birth date and age activity. Children will place their birthday / birth date in the spaces provided and candles on the cake to show how old they are.

Directions for preparation

This resource has been created for use in a binder or folder, but can be used however you see fit.

To prepare the activity for use, simply print and laminate the pages you want to use. (Please note that two options have been included for the date: day/month/year and month/day/year. Make sure to print only the version you wish to use.) Cut out months, days, years, ages and candles. Leave the pages with the cakes intact as they will form the base for the activity. Attach transparent velcro dots to the back of the cut out pieces and empty spaces on the base.

Happy Teaching :)
