Introduction

About this book

This book contains a body parts matching activity. Children match the body parts pictures to the correct spots, then the body part labels (words).

Included are three boy and three girls with two skin tones (African American, Caucasian, Hispanic, Asian).

Directions for preparation

This resource has been created for use in a binder or folder, but can be used however you see fit.

To prepare the activity for use, simply print and laminate all the pages. Cut out the body part pictures and labels (words). Leave the pages with the children intact as they will form the base for the activity. Attach transparent velcro dots to the cut-out body parts and inside each blank rectangle on the intact page.

Happy Teaching :)
