Introduction

About this book

This unit contains 6 Thanksgiving themed sight words booklets intended to for use with children in Preschool and Kindergarten (Prep). The booklets provide children with an opportunity to practice reading sight words in context and to help build confidence and develop fluency. The text follows a predictable pattern and is supported by images, making them an ideal tool for emergent readers.

Directions for use

To assemble the booklets, print the pages you wish to use, cut them in half along the dotted line and staple together.

Children color the pictures and then trace the focus sight word on each page. They can then have fun reading their booklet to friends and family, if it is to be sent home.

Happy Teaching :)
