Directions for use

Following is an outline of the worksheets included in this unit and suggestions for use.

15. Emergent reader "Winter Fun" (color and B&W) & comprehension sheet

Assembly is required by cutting each page in half, then stapling together on the left side where indicated. I have also included a colored version that teachers can use and keep in the classroom library. There are 2 comprehension sheets: one with pictures to indicate which page children can find the answer, and another without pictures.

16. Winter build a sentence (1 page)

Children cut out the words from the bottom of the page and arrange them in order to make a 4-word sentence.
