This book contains a collection of printable activities for use with children in Preschool, Pre-Kindergarten, Transitional Kindergarten and Kindergarten (Prep).

Directions for use

Following is an outline of the activities included in this unit and suggestions for preparation and use.

1. Valentine heart fine motor practice mat

To prepare the mat for use, print and then laminate it for durability. You will need to supply children with pom-poms, gems, beads, beans or any other small objects that will fit inside the circles.

The aim of this activity is for children to place a small object in each of the circles.

2. Valentine mail beginning sounds match (14 pages)

To prepare the activity for use, print and then laminate the pages for durability. Cut out all the pieces.

The aim of this activity is for children to match the lower case letter and beginning sound picture to the mailbox that displays the matching upper case letter.

3. Valentine syllables

To prepare the cards for use, print, laminate them for durability and then cut them apart. Provide children with some small Valentine-themed objects, such as bottle caps with heart stickers on top, heart buttons, clothes pegs with hearts glued on the end, etc.

The aim of this activity is for children to identify the number of syllables in each picture and represent their findings by covering the corresponding number on the card.

4. Chocolate box missing vowels sort (CVC words - 5 pages)

To prepare the cards for use, print, laminate them for durability and then cut them apart. Attache velcro dots to the back of each chocolate piece and blank spot in the box (optional).

The aim of this activity is for children to identify the picture on each chocolate and place in it the matching vowel chocolate box.

5. Cookie and jar matching - rhyming activity (7 pages)

To prepare the cards for use, print, laminate them for durability and then cut them apart.

The aim of this activity is for children to match the pictures to the cookie jar with which they rhyme.

6. Pre-primer conversation hearts sight words sorting (44 words)

To prepare the cards for use, print, laminate them for durability and then cut them apart.

The aim of this activity is for children to sort the conversation hearts to the correct sight word jar.

7. Vase and roses colour match (8 pages)

To prepare the cards for use, print, laminate them for durability and then cut them apart. Glue the roses to green popsicle/icy-pole sticks.

The aim of this activity is for children to sort the roses to the matching coloured jar.

8. Valentine cupcake number match (1-20)

To prepare the cards for use, print, laminate them for durability and then cut them apart.

The aim of this activity is for children to match the number of sprinkles on each frosting to the number on each cupcake.

9. Valentine cookie size order (small, medium, large)

To prepare the cards for use, print, laminate them for durability and then cut them apart.

The aim of this activity is for children to order the cookies to the correct cookie delivery van.

10. Valentine mail shapes (triangle, rectangle, heart, square, circle)

To prepare the cards for use, print, laminate them for durability and then cut them apart.

The aim of this activity is for children to match the postcards with the 2D shapes and real life shapes to the matching mailbox.

13. Valentine's Day patterns (AB)

To prepare the cards for use, print, laminate them for durability and then cut them apart. Attach the pictures cut out from the bottom of the page to the end of a clothes peg using a hot glue gun.
