# Introduction

## **About this book:**

This book contains an pre-primer sight word spelling activity intended for use in centers and small groups with children in Preschool, Kindergarten (Prep) and First Grade.

This packet includes a center label that can be printed and placed on the front of your storage device. Also included are “I can” center instructions to help children remember what to do. I have included a recording page to keep track of each child’s work.

To prepare the activity for use, simply print, laminate for durability and then cut out the trays and cookie letter. Alternatively, you can provide children with small letter tiles that they can use to build each sight word instead of using the cookies.

## **Need more words?**

If you require additional words, I have an editable pdf version of this resource in my store. You can get it here: <https://www.teacherspayteachers.com/Product/Sight-Words-Center-Valentine-Cookies-Word-Building-EDITABLE-PDF-4278575>

Happy Teaching :)
