12. Spring dab the pre-primer sight word (10 pages)

With a bingo dauber, children dab each sight word flower using the color code provided.

13. Spring coloring (1 page)

Children color the objects on the page as directed, then color the rest of the picture as they wish.

14. Spring words one-to-one correspondence (1 page)

Children count how many words in each sentence and color a number to show their answer.

15. Spring read and match cut and paste (1 page)

Children cut out the pictures from the bottom of the page, read each sentence and then paste the corresponding picture in the empty box.

16. Emergent reader "Spring is Here!" (color and B&W) & comprehension sheet

Assembly is required by cutting each page in half, then stapling together on the left side where indicated. I have also included a colored version that teachers can use and keep in the classroom library. There are 2 comprehension sheets: one with pictures to indicate which page children can find the answer, and another without pictures.

17. Spring build a sentence (1 page)

Children cut out the words from the bottom of the page and arrange them in order to make a 4-word sentence.

18. Spring prepositions: under, above, between, in (1 page)

19. Kite number words and number match (2 pages)

Children match the number words and numbers by drawing a line from each kite to the correct kite-flying child.

20. Spring differences (1 page)

21. Spring what doesn't belong (1 page)

Children look at each row of pictures and circle the one that doesn't belong.
