# Introduction

Introduce the classic nursery rhyme "The Itsy Bitsy Spider" to your classroom with this comprehensive set of worksheets and activities, perfect for preschool, kindergarten, and first grade students. This book is designed to build essential literacy skills such as phonemic awareness, reading fluency, comprehension, and vocabulary.

## Contents

### 1. Nursery Rhyme Poster (Color and Black & White)

Print the colored poster, laminate it, and display it in your classroom. Provide black and white copies for each child to read along and color.

### 2. Nursery Rhyme Half Page Booklet (Black & White)

Assemble booklets by stacking the pages in order, cutting along the middle line, and stapling on the left side. Children will enjoy coloring and reading these booklets to their classmates and families.

### 3. Reading Comprehension

Two differentiated comprehension sheets are included: one with pictures indicating the page where answers can be found, and another without pictures.

### 4. Flip Book with Worksheets (Color and Black & White)

To assemble, cut out each rectangle and along the lines of the bottom rectangle, keeping the top rectangle intact. Arrange the "flips" (pages) one on top of the other and staple them to the base. Accompanying worksheets include writing and illustrating words from the flip book and tracing the nursery rhyme title.

### 5. Cut and Paste Sequencing Activity

Children cut out the pictures from the right side of the page and paste them in the correct order to show the sequence of events.

### 6. Maze

Children draw a line to navigate the correct path through the maze.

### 7. Cut and Paste Beginning Sounds Activity

Children cut out the picture and word cards from the bottom of the page and paste them under the correct letter.

### 8. Cut and Paste Rhyming Words Activity

Children cut out the picture and word cards from the bottom of the page and paste them under the correct rhyming picture.

### **9. Make Your Own Nursery Rhyme**

Children cut out pictures from the bottom of the page and paste them in the empty boxes to create their own version of the nursery rhyme.

### **10. Scrambled Sentences (3 Pages)**

Children color the picture, cut out the word cards, paste them in order to form a sentence, and write the sentence on the provided line.

### **11. Word Search**

Children find and color the words in the grid.

### **12. Puppets**

Children color, cut out the pictures, and attach them to icy-pole/popsicle sticks to create puppets for retelling the nursery rhyme.

### **13. Pocket Chart Strips**

Print, cut, and laminate the strips for various uses, such as telling the rhyme, arranging sentence strips in order, and matching pictures to sentences.

Happy Teaching! :)

# The Itsy Bitsy Spider

The itsy bitsy spider  
Climbed up the waterspout.  
Down came the rain  
And washed the spider out.  
Out came the sun and dried up all the rain.  
And the itsy bitsy spider  
Climbed up the spout again.
