# INTRODUCTION

Bring the beauty of autumn into your classroom with the *Autumn / Fall Tree Upper and Lower Case Letter Match* activity. This fun, hands-on learning tool is perfect for helping young learners practice matching uppercase and lowercase letters while developing their fine motor skills.

## Features:

- **26 alphabet cards:** Each card displays an uppercase letter on a fall-themed tree with four colorful leaves (red, orange, yellow, and brown) showing different lowercase letters.
- **Letter matching practice:** The activity encourages children to match the uppercase letter on the tree to the correct lowercase letter on the leaves, reinforcing letter recognition.
- **Clip and match:** Designed to be used with household pegs or other small clips, this activity adds a fine motor skill component as children clip the correct answer.
- **Answer recording:** Includes a recording sheet where children can write down the lowercase letter next to the matching uppercase letter, promoting additional handwriting practice and accountability.

## How to Use:

- **Preparation:** Print and laminate the cards for durability. Cut them apart to create individual clip cards.
- **Setup:** Provide children with household pegs, unused hair clips, or paper clips to use as markers.
- **Activity:** Children match the uppercase letter on the tree to the correct lowercase letter on the leaves by clipping the corresponding leaf. After clipping the correct answer, they can record their answers on the provided sheet.

## Educational Benefits:

- **Letter Recognition:** Helps children differentiate between uppercase and lowercase letters, essential for reading and writing skills.
- **Fine motor skills:** Using pegs and clips strengthens hand muscles and improves hand-eye coordination, which is vital for writing.
- **Cognitive development:** Engages children in critical thinking as they identify and match the correct letters.

Happy Teaching :)
