# Introduction

Introduce your students to number formation with these engaging Number Tracing Cards 1-20, featuring apples displayed on ten frames. Each card is designed to help children practice writing numbers correctly by following the directional arrows provided for each number.

## Features:

- **Number formation practice:** Each card includes directional arrows to guide children in tracing the correct number formation, making it easier for them to learn how to write numbers 1-20.
- **Apple ten frames:** The ten frames filled with apples offer a visual representation of each number, reinforcing counting and number recognition.
- **Two options for number 5:** The set includes two variations for the number 5, allowing for differentiated practice.
- **Dry-erase friendly:** These cards are perfect for repeated use with dry-erase markers, providing plenty of opportunities for practice.
- **Easy organization:** Keep the cards together by making a hole in the top left corner and securing them with a key ring or pipe cleaner, creating a convenient, book-like format.

This activity is ideal for helping young learners build strong number formation skills while enjoying a fun, apple-themed learning experience.

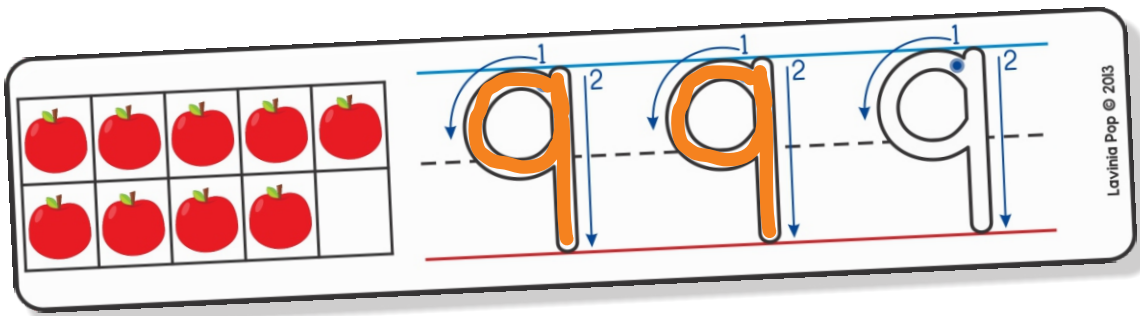

Happy Teaching! :)
