# Introduction

This engaging School Themed Sorting Activity is perfect for helping children categorize and organize common school-related items. With 20 colorful picture cards and 4 category mats, this activity encourages critical thinking and sorting skills in a fun and interactive way.

## Features:

- **4 categories:** The activity includes 4 distinct category mats: Children, Supplies, Teachers, and Food. Each mat helps children focus on organizing items based on specific categories related to the school environment.
- **20 picture cards:** Children sort 20 vibrant picture cards to the appropriate category mat, reinforcing their understanding of different school-related items.
- **Interactive learning:** As children sort the picture cards, they actively engage in developing categorization skills, improving their ability to recognize and group similar items.
- **Recording page:** A recording page is included, featuring 14 pictures. Children select one of the 4 categories to indicate where each item belongs, providing a written record of their work and reinforcing their learning.

## How to Use:

- **Print and prepare:** Print and laminate the category mats and picture cards for durability.
- **Sort the pictures:** Children place each picture card onto the correct category mat.
- **Record the answers:** After sorting, children use the recording page to show where each of the 14 items belongs, selecting the correct category from the four provided.
