# Introduction

Introduce your kindergarteners to phonemic awareness with the *Beginning Sounds Worksheet Packet*. This 5-page packet is packed with fun activities to help your students master their beginning sounds.

## Contents:

- **Same Beginning Sounds:** Children will identify the initial sounds of two pictures in each box. If the pictures start with the same sound, they color the happy face. If not, they color the sad face. This activity strengthens their ability to distinguish between sounds.
- **Beginning Sounds (3 pages):** On these pages, children will determine the beginning sound for each picture. They'll color a circle to indicate their answer, reinforcing their recognition of initial phonemes.
- **Write the Missing Beginning Sound:** Students will identify the beginning sound of each picture and write the corresponding letter in the empty square. This activity helps solidify their understanding of letter-sound relationships.

Enhance your students' phonemic skills with this comprehensive packet, making learning to read an enjoyable and interactive experience.

Happy Teaching :)
