# Introduction

## **About this book**

This book contains a make an ice cream by customer's order activity. Children will recreate the customer's ice cream order, making sure to place the scoops in the right order.

## **Directions for preparation**

This resource has been created for use in a binder or folder, but can be used however you see fit.

To prepare the activity for use, simply print and laminate all the pages. Cut out the ice cream scoops and order cards. Leave the pages with the ice cream scoop outlines intact as they will form the base for the activity. Attach velcro dots to the back of each coloured ice cream scoop and outlined scoop on the base.
