Introduction

Get your preschoolers ready for the school year with our Back to School Pre-Writing Skills Center Activities. Designed to enhance fine motor skills and prepare preschoolers for writing, this set includes three key components:

1. Fine Motor Practice Mats (5 mats)

Prepare these mats by printing and laminating them for durability. Provide children with small objects like pom-poms or beads to place in each circle, promoting fine motor skills.

2. Write and Wipe Pre-Writing Tracing Practice: Horizontal (8 pages)

Print and laminate these tracing pages. Using a dry-erase marker, children trace lines from top to bottom, refining their hand-eye coordination and tracing skills.

3. Write and Wipe Pre-Writing Cards: Left to Right (15 cards)

Print, laminate, and cut these cards for write and wipe activities. Punch a hole in the top left corner to bind them with a key ring. Children trace lines from left to right, enhancing their writing progression and dexterity.

The Back to School Pre-Writing Skills Center Activities set offers engaging and effective tools for preschoolers to develop essential pre-writing skills. These activities enhance fine motor skills, hand-eye coordination, and writing readiness through interactive and durable resources. Perfect for classroom use, this set will keep students excited and motivated in their learning journey.

Happy Teaching :)
