# Introduction

This Name Practice Editable PDF is designed to assist preschool and kindergarten children in learning to write and spell their names effectively. With customizable options for names ranging from 2 to 8 letters, this resource provides a versatile tool for early literacy development.

## Features:

- *Editable name fields:* Simply type your student's name in the "Trace it" box and their jumbled name in the cutting boxes.
- *Interactive element:* Children will cut out letter tiles from the bottom of the page and arrange them in the "Paste it" section to form their names. They will then trace their names in the "Trace it" section, reinforcing letter formation and spelling.
- *Reusable format:* For repeated use, laminate each page after printing. Attach velcro to the letter tiles and "Paste it" box (optional) and store in individual student folders. Students can use dry-erase/whiteboard markers to trace their names multiple times.

This editable PDF provides a flexible and engaging way for young learners to practice name writing and spelling, making it an excellent addition to your teaching toolkit.

Happy Teaching :)
