# Introduction

Enhance your students' phonics skills with this comprehensive set of Beginning Sounds Puzzles. This set includes 60 puzzles, each consisting of two pieces: one featuring a letter and the other with a matching beginning sound picture. Ideal for literacy centers, these puzzles help children connect letters to their sounds in a hands-on, engaging way, building essential reading and phonics skills.

## Features:

- **60 phonics puzzle cards:** Includes 26 alphabet cards, 5 long vowel cards, 21 beginning blend cards, and 8 beginning digraph cards.
- **Interactive puzzle pieces:** Each puzzle consists of two pieces – a letter and a matching beginning sound picture.

## How to Use:

- **Set Up:** Cut out each puzzle, laminate for durability, and cut along the dotted lines to separate the letters from the pictures. Store the pieces in a zip-lock bag for easy organization.
- **Activity:** Children match each letter to the picture that begins with the same sound, ideal for use in literacy centers or small group work.

## Educational Benefits:

- **Letter-sound recognition:** Helps children connect letters (including blends and digraphs) to their initial sounds.
- **Phonological awareness:** Builds foundational skills for reading by reinforcing beginning sounds.

Happy Teaching :)
