INTRODUCTION

Enhance sight word learning with our Autumn | Fall Leaves Sight Words Spelling Activity! This interactive resource is designed to help preschool and kindergarten students practice spelling pre-primer and primer sight words through a fun, fall-themed activity.

Features:

- **84 autumn themed sight word cards:** Each card features an autumn branch background with a sign displaying a sight word. Blank boxes next to each word allow children to spell out the sight word using provided letters.
- **Colorful letter leaves:** Includes leaves in orange, brown, and yellow, each with a letter written on them. Attach these leaves to clothes pegs for a tactile spelling experience. Alternatively, use magnetic letters or Scrabble tiles to spell the words.

How to Use:

- **Preparation:** Print, laminate, and cut out the sight word cards and letter leaves. Attach each letter leaf to a clip for easy handling. Alternatively, prepare magnetic letters or Scrabble tiles.
- **Activity:** Children use the letter leaves, magnetic letters, or Scrabble tiles to fill in the blank boxes on the sight word cards, spelling out each sight word.

Educational Benefits:

- **Sight word recognition:** Aids in the recognition and spelling of common sight words, essential for early reading development.
- **Fine motor skills:** Handling letter leaves and placing letters in the blanks enhance fine motor skills and hand-eye coordination.
- **Interactive learning:** Provides a hands-on approach to learning sight words, making it engaging and effective for young learners.

Happy Teaching :)

SPELL THE WORDS

I can

- 1 Read the sight word on the sign.
- 2 Find the letter tiles I need to spell the word and place them in order in the empty boxes.
- 3 Record my work.
