INTRODUCTION

Introduce young learners to vocabulary building with our Autumn Write the Room! This engaging, fall-themed resource is ideal for kindergarten and first grade students, helping them enhance their vocabulary and writing skills through a fun, hands-on scavenger hunt.

Features:

- **16 autumn themed cards:** Each card displays a fall-themed picture with the corresponding word written on a line underneath, helping children connect images with words.
- **2 recording pages:** Includes two recording pages, each featuring 8 pictures with writing lines next to each image, where children can write the matching words they find.

How to Use:

- **Preparation:** Print, laminate, and cut out all the vocabulary cards for durability. Place the cards randomly around the room or alternatively, place them in a sensory bin for a more interactive search experience.
- **Activity:** Give each child a clipboard with the recording pages. As they find each vocabulary card, they write the word next to the corresponding picture on their recording page.

Educational Benefits:

- **Vocabulary building:** Helps children learn new autumn-themed words, expanding their vocabulary through visual and written association.
- **Writing practice:** Encourages handwriting development and fine motor skills as children write down each word they find.
- **Independent learning:** Promotes independent exploration and learning as children search for and record words at their own pace.

Happy Teaching :)
