INTRODUCTION

Engage students in phonics practice with the **Firefighter CVC Word Spelling Activity!** This hands-on resource allows children to spell CVC (consonant-vowel-consonant) words while reinforcing letter-sound relationships in a firefighter themed activity.

What's Included:

- **32 CVC word cards:** Each card displays a picture of a CVC word. Next to the picture are two rows of 3 letters, and children select the correct letters to spell the word in the picture.
- **2 recording pages:** Children write the CVC word from each card on a writing line.

How to Use:

- **Materials needed:** Clothes pegs.
- **Setup:** Print, laminate, and cut out the CVC word cards for durability. Print the recording pages.
- **Activity:** Children examine the picture on the card, determine the CVC word, and select the correct letters from the options provided. They use pegs to clip the correct letters to complete the word. Then write the word on the recording page.

Educational Benefits:

- **Phonics development:** Reinforces letter-sound correspondence as children practice spelling and writing CVC words.
- **Reading readiness:** Strengthens foundational reading skills by focusing on decoding and writing simple words.

Perfect for literacy centers, phonics instruction, or small group activities, this interactive CVC word-building and writing activity enhances early reading skills.

Happy Teaching! :)
