INTRODUCTION

Make phonemic awareness fun with the **Fire Dog Spin and Rhyme activity!** This engaging resource helps children develop rhyming skills through a hands-on spinning game with a playful firefighter theme.

What's Included:

- **Spinner board** featuring rhyming words and pictures: Children spin to find a matching rhyming picture.
- **4 header cards (red border):** Each card displays a picture with the word written underneath.
- **16 matching rhyming cards:** Four matching rhyming cards for each header card, with pictures and the corresponding word written underneath.
- **Recording page:** Where children can document the rhyming matches they make.

How to Use:

- **Materials needed:** Spinner or pencil and paper clip to create a spinner.
- **Setup:** Print, laminate, and cut out the spinner board, header, and matching rhyming cards for durability.
- **Activity:** Children spin the spinner, find the rhyming picture, and match it with the correct header card. They can then record the matching rhymes on the provided recording page.

Educational Benefits:

- **Phonemic awareness:** Strengthens the ability to recognize and match rhyming words, a foundational literacy skill crucial for reading fluency.
- **Rhyming recognition:** Reinforces the concept of word families, helping children group words with similar ending sounds, which aids in decoding unfamiliar words.
- **Vocabulary development:** Expands vocabulary by introducing rhyming pairs in an engaging context.
- **Reading fluency:** Improves fluency by helping children recognize patterns in words, leading to faster word recognition and smoother reading.

Perfect for literacy centers, small group work, or independent practice, this rhyming activity adds a fun and interactive element to early reading instruction.

Happy Teaching :)
