INTRODUCTION

Introduce young learners to letter recognition with our Autumn Tree Alphabet Match activity! This engaging, fall themed resource is perfect for preschool and kindergarten students, helping them practice matching uppercase and lowercase letters in a fun, hands-on way.

Features:

- **6 pages of alphabet matching:** Each page includes five rows, each displaying an autumn tree with an uppercase letter. Next to each tree are four leaves, each with a lowercase letter. Children select the leaf that matches the letter on the tree, reinforcing their understanding of letter pairs.
- **Interactive learning options:** Children can use dot paints to mark their answers or simply color or circle the correct leaf, allowing for flexibility in how the activity is completed.

How to Use:

- **Preparation:** Print the six activity pages for each student.
- **Activity:** Provide children with dot paints, crayons, or markers. For each row, children look at the uppercase letter on the tree and find the corresponding lowercase letter on one of the leaves. They then mark the correct leaf using their chosen method.

Educational Benefits:

- **Letter recognition:** This activity helps children practice identifying and matching uppercase and lowercase letters, a key skill for early reading and writing development.
- **Seasonal engagement:** The autumn-themed design adds a fun, seasonal element to learning, keeping children interested and motivated.

Happy Teaching! :)
