INTRODUCTION

Enhance your literacy centers with the **Pumpkin Sight Word Match Activity!** This autumn-themed resource is designed for Preschool and Kindergarten students, making sight word practice both fun and interactive.

Features:

- **84 sight words:** Includes a broad selection of pre-primer and primer sight words, providing ample practice opportunities for early readers. Pages can be cut in half to concentrate on specific words.

How to Use:

- **Print and prepare:** Print the pages on paper (use colored paper for a seasonal touch). Cut the pages in half.
- **Center activity:** Provide children with transparent colored disks. Have them cover the pumpkins containing the focus sight words with the disks. Alternatively, children can use dot paints to fill in the pumpkin.

Educational Benefits:

- **Sight word recognition:** Strengthens familiarity with pre-primer and primer sight words, essential for early reading development.
- **Fine motor skills:** Using colored disks to cover words supports fine motor skill development and hand-eye coordination.
- **Seasonal learning:** Combines sight word practice with a fun, seasonal theme to keep students engaged and motivated.

Happy Teaching! :)
