INTRODUCTION

Celebrate the beauty of autumn with our engaging Autumn Tree and Leaves Color Sorting Activity! This hands-on resource is perfect for preschool and kindergarten students, helping them learn about colors while enhancing their fine motor skills in a fun, seasonal way.

Features:

- **11 color trees:** The activity includes 11 different color trees. You can use only fall colors, or all of them.
- **66 leaves for sorting:** Comes with 66 leaves (6 leaves for each color), designed to match the colors of the trees.

How to Use:

- **Preparation:** Print and laminate the tree and leaf pages for durability. Cut out all the pieces, and then use a hot glue gun to attach each leaf to the end of a clothes peg. This setup allows children to easily clip and unclip the leaves from the trees.
- **Activity:** Provide children with the color trees and matching leaves. Encourage them to clip the leaves to the corresponding trees, focusing on matching colors accurately.

Educational Benefits:

- **Color recognition:** Supports children in learning and identifying different colors through engaging hands-on play.
- **Fine motor skills:** Clipping the leaves onto the trees enhances dexterity and strengthens hand muscles.
- **Hand-eye coordination:** Improves coordination as children align and clip leaves to the correct trees.
- **Seasonal learning:** Incorporates an autumn theme, making learning about colors fun and relevant to the season.

Happy Teaching :)
