INTRODUCTION

The **Autumn Fine Motor and Pre-Writing Practice packet** contains a set of fun and interactive activities designed to strengthen fine motor skills and support early writing development. Featuring engaging fall-themed mats and tracing cards, this resource is perfect for young learners who are developing their coordination and pre-writing skills.

What's Included:

- **Fine motor practice mats:** Two mats featuring fall-themed designs (an acorn and a leaf) with circles for children to place small objects. Children can use pom-poms, beads, gems, or other small objects to fill the circles and practice fine motor control.
- **Falling autumn leaves pre-writing tracing practice:** A write-and-wipe page with falling leaf designs where children trace lines from top to bottom using a dry-erase marker. This exercise promotes hand-eye coordination and pre-writing skills.
- **Autumn pre-writing cards:** Nine pre-writing cards featuring different autumn-themed pictures and line patterns for children to trace from left to right. These cards can be kept together in a book-like format by punching a hole in the top corner and securing with a key ring or pipe cleaner. Children use a dry-erase marker to trace the lines, helping develop their writing motion.

How to Use:

- **Setup:** Print, laminate, and cut out all mats and cards for durability. For the fine motor mats, gather small objects like pom-poms or beads that can be placed in the circles. For the pre-writing activities, dry-erase markers are required.
- **Activity:**
 - **Fine motor mats:** Children place small objects in each circle on the acorn and leaf mats, enhancing their fine motor control and precision.
 - **Falling autumn leaves tracing:** Children trace from top to bottom on the laminated page to practice their hand movements.
 - **Pre-writing cards:** Children trace from left to right on each card, focusing on their pre-writing strokes.

Educational Benefits:

- **Fine motor skills:** Strengthens hand muscles and coordination through object placement on mats.
- **Pre-writing development:** Enhances tracing and hand-eye coordination through guided tracing activities.
- **Hand-Eye Coordination:** Builds essential skills for early writing and drawing.
- **Interactive learning:** Offers a hands-on, engaging way for young children to practice foundational skills.

Perfect for fine motor centers, pre-writing practice, or small group activities, this autumn-themed bundle brings both educational value and seasonal fun to your classroom!

Happy Teaching! :)
