INTRODUCTION

Make learning math fun with the Firefighter Count, Tally, and Graph Activity! This hands-on resource helps children practice counting, tallying, and graphing skills, all while exploring a firefighter theme.

What's Included:

- **4 Count, and Graph cards:** Each card features firefighter-related objects for children to count, tally, and graph.
- **4 recording pages:** Children write the number of objects and represent the total using tally marks for each picture.

How to Use:

- **Materials needed:** Erasable markers or counters.
- **Setup:** Print, laminate, and cut out the cards for durability. Print the recording pages.
- **Activity:** Children count the objects, represent the total with tally marks, and color the corresponding number of squares on the graph. They then complete the recording page by writing the total for each object and drawing the tallies.

Educational Benefits:

- **Counting and tallying skills:** Enhances number recognition and understanding of tally marks.
- **Graphing practice:** Strengthens ability to represent data visually through graphing.

This versatile activity is perfect for math centers, small group work, or independent practice, adding a fun and educational twist to early math skills development with a firefighter theme.

Happy Teaching! :)

COUNT, TALLY & GRAPH

I can

- 1 Count the objects that are the same.
- 2 Draw tally marks to show how many objects I counted.
- 3 Fill in the squares on the graph to show how many objects I counted.
- 4 Record my work.

The activity card contains a collection of 15 fire safety icons: 4 fire extinguishers, 4 fire hammers, 4 fire cones, 2 fire hydrants, and 1 fire alarm. Below the icons is a tally chart with a 'TALLY' label and a grid for recording counts. The grid has 5 columns labeled 1 to 5 and 5 rows. The first row has two vertical bars in the first column. Below the grid is a graph with 5 columns labeled 1 to 5 and 5 rows. The first row has two blue circles in the first and second columns. A small 'A' is in the bottom left corner of the graph.
