Numbers with correct formation

Tracing cards for numbers 1, 2, 3, 4, and 5. Each card shows the number with directional arrows and starting points. The number 5 card includes a ten-frame with five flames in the top row and one flame in the bottom-left cell.

Tracing card for the number 6. It features a ten-frame with five flames in the top row and one flame in the bottom-left cell. To the right of the ten-frame are four dashed outlines of the number 6, each with directional arrows and starting points for tracing.

Thank you for downloading this product; I hope you will enjoy using it and that it will be a valuable resource for you! I value your feedback, so please don't hesitate to contact me if you have any concerns whatsoever as I will endeavour to address them. And if you like what I've done, please let me know by leaving feedback at my online store :)

INTRODUCTION

Enhance number formation skills with the **Fire Write & Wipe Numbers** (1-20) activity! This interactive resource allows children to practice writing numbers while enjoying a fun fire safety theme.

What's Included:

- **20 write-and-wipe cards:** Featuring numbers 1 to 20, designed for children to practice correct number formation.

How to Use:

- **Materials needed:** Erasable marker, whiteboard eraser.
- **Setup:** Print the write-and-wipe cards.
- **Storage:** These cards can be kept in a book-like format by punching a hole in the top left corner and securing the cards together with a key ring or a pipe cleaner.
- **Activity:** Children use a dry-erase marker to write the numbers on the cards, practicing correct formation. They can erase and repeat as many times as needed for mastery.

Educational Benefits:

- **Number formation:** Provides ample practice for correct writing of numbers 1-20, fostering early handwriting skills.
- **Independent practice:** The wipe-and-write feature allows for repeated practice without wasting paper.

Ideal for math centers, small group work, or individual practice, these write-and-wipe cards add a fun and reusable element to early number learning.

Happy Teaching! :)

NUMBER TRACING

I can

Write the number on my card, starting at the dot 1 and following the arrows.
