# INTRODUCTION

## About this book:

This book contains 5 Groundhog Day sight word flip books in black & white and colour. Each booklet is accompanied by a worksheet where children trace the focus sight word and then write some of their favourite sentences from the flip book.

## Directions for use:

To assemble the flip books, cut out each rectangle, then along the lines of the bottom rectangle. Make sure that the top rectangle is left intact as it will form the base for the flip book! Arrange the "flips" (pages) one on top of the other and staple them to the base. Students will have lots of fun reading their flip books over and over again to friends and family!

Happy Teaching :)

The top and bottom rectangles have been cut out. The TOP rectangle has been left intact as it will form the base for the flip book.

The "flips" (pages) have been placed one on top of the other and stapled or glued to the base.
