# Introduction

## **About this book**

This packet contains:

- a word list to go inside a student binder or inside a file-folder
- large classroom word wall cards (optional background: color or white)
- thematic word work pages
- blank pages for you to write your own words

Classroom word walls are a fantastic tool for learning new vocabulary. It is also beneficial to equip each child with a personal word list so that they can add their own words to it and keep it when the seasonal words are removed from the classroom wall. A copy of the words can also be kept in the word work or writing center.

## **Directions for use**

### *Personal word list*

Print the pages included the first section of this packet, put them inside plastic sleeves and then into student binders. Alternatively, the pages can be glued into a notebook. If you would like your students to order the words alphabetically, have them cut the words and paste them accordingly into their books. Blank squares have been included so that students can add their own words.

### *Word work or writing center file-folder word list*

Print the cover page and paste it on the front of the folder. Print the word list pages included in the first section of this packet and paste them on the middle pages of the folder. Print the Word Work Task page and glue it on the back of the folder - please note this should only be used if you intend to use the worksheets I have provided.

### *Classroom word wall cards*

Print your desired set, with or without background, along with the title page. Cut out the vocabulary cards you wish to use and laminate them for durability. Display them on your classroom wall.

Happy Teaching :)
