INTRODUCTION

About this book

This packet contains an uppercase and lowercase letter matching center with coordinating recording pages. It is designed to give children hands-on practice in recognizing and pairing letters of the alphabet.

Directions for use

The goal of this activity is for children to match the uppercase and lowercase letters on the leaves. Once matched, they record their answers on the provided pages by writing in the missing lowercase letter.

Preparation

1. Print the leaf cards and laminate them for durability.
2. Cut out each leaf, then separate along the dashed line to divide the uppercase from the lowercase half.
3. Store the pieces in a zip-lock bag or your preferred container, along with the recording pages, for easy access.

This activity is perfect for literacy centers, small groups, or independent practice. It helps children strengthen alphabet knowledge, improve handwriting, and gain confidence in matching upper- and lowercase letters.

Happy Teaching! :)
