INTRODUCTION

About this book

This Autumn Vocabulary Booklet has been created to help students learn, practice, and use seasonal vocabulary in fun and engaging ways. With traceable words, writing lines, and themed illustrations, children can strengthen their handwriting, spelling, and vocabulary skills while enjoying fall-themed activities.

Directions for use

This resource is flexible and can be used in multiple ways:

1. Personal Vocabulary Booklets

- Print the pages you wish to use, cut them in half, and staple together.
- For an added challenge, students can put the pages in alphabetical order before stapling.
- On each page, students trace the focus word, then write it independently on the line provided.
- Extra writing lines are included (can be photocopied on the back) so students can extend their work by creating sentences.
- Students finish by coloring the picture to personalize their booklets.

2. Collaborative Classroom Booklet

- Assign one page to each student.
- Students complete their page by tracing, writing, extending with sentences, and coloring.
- Collect all pages and staple them together to create a classroom vocabulary book.
- Create two class booklets—use one this year and save the other for the following year.

3. Homework

- Choose a few pages, print them, and send them home for students to work on independently during the week.

This booklet can be used for whole-class instruction, small groups, literacy centers, or independent practice.

Happy Teaching! :)
