 - Uppercase and lowercase letters on every page
 - Simple and engaging pictures related to each letter

How to use

1. Give each child one alphabet page.
2. Review the color code together by naming the colors and letters.
3. Children look for each letter in the picture and color the spaces using the correct color from the code.
4. When they finish, encourage them to name the picture and say the letter sound aloud.

Skills covered

- Recognizing uppercase and lowercase letters
