Introduction

This resource contains 32 word family card sets designed for a write and wipe center. These cards give students repeated practice reading, building, and writing CVC and CCVC words across a wide range of common word families.

What's Included

- 32 word family sets
- 3 card versions for each word family
 - With onsets / without rimes
 - Without onsets / with rimes
 - Without onsets / without rimes
- Cover card for each word family

Directions for Use

To prepare, print the version or versions you wish to use along with your chosen cover card. Laminate the pages for durability, then cut along the dashed lines. Punch a hole in the top left corner of each card, place the cover on top, and secure the set with a key-ring or ribbon.

Students use a dry erase marker to trace or write the missing parts of each word. For an added challenge, mix the cards rather than keeping them grouped by word family.

Skills Covered

- Phonemic awareness
- Sound to letter correspondence
- Blending and segmenting
- Word family recognition
- Reading and writing CVC and CCVC words
- Vocabulary development
- Fine motor and handwriting practice

This activity provides targeted practice with phonics patterns, supporting early reading and writing skills in a hands on, engaging way.

Happy Teaching :)
