Introduction

The Spring Sentence Building Puzzles is a fun, hands on literacy activity that helps young learners practice building simple sentences.

This resource includes 20 spring themed cut and paste sentence puzzles. Students arrange the puzzle pieces to build a complete sentence. When the words are placed in the correct order, the picture pieces also connect to reveal a spring themed image.

This activity helps children understand sentence structure, including using a capital letter at the beginning of a sentence and punctuation at the end.

What's Included

- 20 sentence building puzzles
 - 10 four word sentence puzzles
 - 10 five word sentence puzzles
 - A writing line for students to copy the completed sentence
 - Spring themed pictures that form when the puzzle is correctly assembled

Directions for Use

1. Students cut out the puzzle pieces at the bottom of the page.
2. Students read the words on each puzzle piece.
3. They arrange the pieces in the correct order to build the sentence.
4. When the sentence is correct, the picture pieces form a complete image.
5. Students glue the pieces into the boxes.
6. Students write the completed sentence on the writing line.

Skills Practiced

This activity supports the development of:

- Sentence structure
- Capital letters at the beginning of sentences
- Ending punctuation
- Early reading skills
- Sentence writing practice
- Fine motor skills

Teaching Tip

If students are using liquid glue, it may be easier for them to color the puzzle pieces before gluing. Once the pieces are glued, it can be difficult to color neatly across the puzzle sections. If students are using glue sticks, they can color the pictures after the puzzle has been assembled.

Happy Teaching :)
