Introduction

The CH Digraph Activities and Worksheets packet is a comprehensive resource designed to help young learners practice and reinforce the ch digraph through a variety of engaging, hands on and print based activities. This pack is ideal for Kindergarten and Grade 1, with support use in Grade 2.

The activities vary in difficulty and format, making them perfect for whole class lessons, literacy centers, small groups, early finishers, intervention, or homework.

Skills Covered

- Digraph recognition (ch)
- Blending and decoding
- Reading fluency
- Vocabulary development
- Sentence reading and writing
- Spelling and word building
- Fine motor skills (cut and paste activities)

Prep Overview

Most activities require printing, cutting, and laminating for durability. Worksheets are print and go with no prep required.

Directions for use

Below is an outline of the games, activities, and worksheets included in this unit, along with simple suggestions for preparation and use.

1. CH digraph poster

Print, laminate, and display on your wall as a visual reference during lessons.

2. CH digraph poster with words

Print, laminate, and display. This poster can also be placed in a writing binder for student reference.

3. CH digraph word wall cards (with and without pictures) and Write the Room recording page

Print, laminate, and display selected cards. Cards can also be used for a Write the Room activity. Students walk around the room, find the words, and record them on the recording page.

4. CH digraph word slider cards with recording page

Print and assemble sliders following the instructions provided. Laminate and cut for durability. Students slide the letters to blend sounds and read words, then complete the recording page.

5. CH digraph reading cards with recording page

Print, laminate, and cut apart. Words increase in difficulty. Students read each card and record their progress on the recording page.

6. CH digraph I Have, Who Has? game

Distribute cards among students. One student begins by asking a question, and the student with the matching card responds. Continue until all cards have been used.

7. CH digraph playdough mat

Print and laminate. Students use playdough or manipulatives to practice forming letters.

8. CH digraph write and wipe cards

Print and laminate. Students use dry erase markers or crayons to practice writing.

9. CH digraph word building mats with recording page

Two versions are included (with and without letters). Print and laminate. Students build words using letter tiles or write directly on the mat, then complete the recording page.

10. CH digraph write the missing sound cards

Print, laminate, and cut apart. Students write the missing sound to complete each word.

11. CH digraph sound hunt and recording page

Print, laminate, and cut the cards. Students identify the position of the sound (beginning, middle, or end) and place the cards correctly, then complete the worksheet.

12. CH digraph gumball word picture match with recording page

Print and laminate. Students take turns selecting gumballs, reading the words, and matching them to pictures. Recording page included.

13. CH digraph flip book with recording pages

Cut out the pieces and assemble the flip book. Students read and practice the words. Recording pages are included to track progress.

14. CH digraph handwriting worksheet

Students practice writing the letters used to make the focus sound.

15. CH digraph word work worksheet

Students write missing letters and copy the completed sentence.

16. CH digraph word work: word shapes worksheet

Students use the word bank and picture clues to fill in the correct word shapes.

17. CH digraph picture sort worksheet

Students cut out pictures, say each word, and sort them based on whether they contain the focus sound.

18. CH digraph color it worksheet

Students color the pictures that contain the focus sound.

19. CH digraph match picture and word worksheets (2 versions)

Version 1: Students cut and paste words to match pictures.

Version 2: Students trace words and match pictures by cutting and pasting.

20. CH digraph build a word cut and paste worksheet

Students cut out letter tiles and build words.

21. CH digraph picture scramble worksheet

Students cut and arrange letters to form the correct word, then glue and write it.

22. CH digraph syllable sort cut and paste worksheet

Students sort pictures by the number of syllables.

23. CH digraph word search

Students find and color words in the letter grid.

24. CH digraph alphabetical order worksheet

Students place words in alphabetical order and match them to pictures.

25. CH digraph complete the sentence worksheet

Students fill in missing words using a word bank to complete sentences.

26. CH digraph reading fluency page

Students read sentences multiple times to build fluency and color a star after each reading.

27. CH digraph reading comprehension page

Students read a short passage, answer comprehension questions, and list words containing the focus sound.

28. CH digraph vocabulary booklet

Students write vocabulary words and use them in a sentence.

Cut, assemble, and staple to create a booklet.

29. CH digraph build a word reader

Students read simple sentences, identify missing words, and build them using letter tiles.

Cut, assemble, and staple into a booklet.

30. CH digraph crown

Students cut and assemble a crown as a fun end of unit activity to celebrate learning.

Classroom Tips

- Laminate reusable activities for long term use
- Store activities in labeled folders or bins
- Use recording pages to track student understanding
- Rotate activities to maintain engagement
- Revisit the same words across multiple activities for stronger retention

Happy Teaching! :)

How to fold the envelope

Cut along the solid lines and fold on the dotted lines. Place glue on the strip where it says GLUE and press down firmly. Seal the end with some sticky tape.

For extra durability, you can laminate the envelope after printing, cut it out and then fold along the dotted lines. Use sticky tape along the side and the end to complete the envelope.
