Class Birthday Display

Use this Classroom Birthdays Display to create a cheerful and organized way to celebrate every child's birthday throughout the year. The illustrated cupcake month cards make each month easy for young children to recognize, while the editable name cards allow you to personalize the display for your class.

What's Included

- 1 "Birthdays" header: 270 × 75 mm (10.63 × 2.95 inches)
- 12 illustrated month cards: 95 × 136 mm each (3.74 × 5.35 inches)
- Editable name cards: 85 × 25 mm each (3.35 × 0.98 inches)

Editable Name Cards

The name cards contain editable text fields so you can type your children's names before printing.

For best results:

1. Download and save the file to your computer.
2. Open the editable PDF using the free Adobe Acrobat Reader.
3. Click inside each editable name field.
4. Type the children's names.
5. Save your personalised copy and print.

Please note that only the name fields are editable. The header, month names, illustrations and other design elements cannot be changed.

How to Prepare

1. Print the pages on white cardstock or heavyweight paper.
2. Laminate the printables for durability.
3. Cut around the outside edges of each piece.
4. Display the header and month cards on a classroom wall, bulletin board, focus wall or in your circle time area.
5. Attach each child's name card beneath the month of their birthday.
6. Hook and loop dots, reusable adhesive or magnetic tape can be used to make the names easy to move or update.

Suggested Use

Introduce the birthday display at the beginning of the year and invite children to find the month of their birthday.

Place each child's name beneath the correct month card. Use the display during calendar time, morning meetings or birthday celebrations to help children recognize months of the year and learn when their classmates celebrate their birthdays.

The editable name cards can also be left blank and completed by hand after printing.

Please Note

Colors may appear slightly different depending on your printer, paper, screen settings, and ink.

Happy Teaching :)
