# Calendar Flip Cards

This calendar flip card set is designed for daily calendar time, morning meeting, or circle time. The cards can be hung on a wooden rod using binder rings so you can easily flip to the correct day, month, date, and year.

## What's Included

- Days of the week cards: Monday–Sunday (185 mm × 65 mm, approx. 7.28 in × 2.56 in)
- Month cards: January–December (185 mm × 65 mm, approx. 7.28 in × 2.56 in)
- Date cards: Numbers 1–31 (65 mm × 65 mm, approx. 2.56 in × 2.56 in)
- Year cards: 2026–2040 (95 mm × 65 mm, approx. 3.74 in × 2.56 in)
- “Today is” header card (260 mm × 75 mm | aprox. 10.24 in × 2.95 in)

## Printing Instructions

- Print the cards on cardstock.
- Laminate the cards for durability.
- Cut out each card.
- Punch the holes where marked.
- The “Today is” header card does not need holes.

## Materials Needed

- Printed cards
- Laminator and laminating pouches
- Scissors or paper cutter
- Hole punch
- Binder rings or book rings
- Wooden dowel rod
- Wall brackets or clip-style rod holders

## Setup Instructions

- Sort the cards into four groups: days, months, dates, and years.
- Place each group onto two binder rings.
- Hang the rings over a wooden rod.
- Arrange the cards in this order: Day | Month | Date | Year
  - Example: Monday | August | 24 | 2026
- Place the “Today is” header card above the rod.

## Rod and Bracket Tips

- A smooth wooden dowel rod works well for this display.
- Use binder rings that are large enough to move easily over the rod.
- White open rod brackets or white clip-style rod holders are a good option for classroom display. Choose brackets that hold the rod slightly away from the wall so the cards have room to flip over easily.

## Classroom Use

- Use the flip cards during your daily calendar routine. Students can help identify the day, month, date, and year.
- This display is great for practicing calendar vocabulary, number recognition, days of the week, months of the year, and daily routines.

Happy Teaching :)
