Feelings Check-In Circle Time Display

This Feelings Check-In Display gives children a simple visual way to identify and communicate how they are feeling. Display the feeling cards on a classroom wall or focus wall, then invite each child to place their editable name tag beneath the card that best represents their current feeling.

What's Included

- 1 "How do you feel?" header: 270 × 75 mm (10.63 × 2.95 inches)
- 16 feeling cards: 95 × 130 mm each (3.74 × 5.12 inches)
- Editable child name tags: 85 × 25 mm each (3.35 × 0.98 inches)

How to Prepare

1. Print the header and feeling cards on white cardstock.
2. Laminate the cards for durability.
3. Cut around the outside edges of each printable.
4. Arrange the feeling cards beneath the "How do you feel?" header.
5. Add hook-and-loop dots or reusable adhesive beneath the cards and to the back of each name tag.

Editing the Name Tags

The child name tags can be personalised using Adobe Acrobat Reader.

1. Download and install the free Adobe Acrobat Reader.
2. Open the PDF directly in Adobe Acrobat Reader. Do not edit it in an internet browser or another PDF preview program.
3. Click inside each editable name field. Type each child's name.
4. Save a personalised copy before printing.
5. Print, laminate and cut apart the completed name tags.
6. Only the names are editable. The colors, fonts, card designs and feeling labels cannot be changed.

How to Use

Invite children to find their name tag and place it beneath the feeling card that matches how they feel. Use the display during arrival, morning meeting or circle time.

Encourage children to name their feeling and, when appropriate, explain why they selected it. Children may move their name tags during the day as their feelings change.

This daily check-in supports emotional vocabulary, self-awareness, communication and social-emotional learning.

Please Note

Colors may appear slightly different depending on your printer, paper, screen settings, and ink.
