Shape of the Week

The Shape of the Week classroom display helps preschool and pre-K children recognise, name and describe common 2D shapes. Display one shape card each week during circle time, morning meeting or daily calendar activities.

What's Included

- 1 "Shape of the Week" header: 270 × 75 mm (10.63 × 2.95 inches)
- 14 shape cards: 130 × 180 mm each (5.12 × 7.09 inches)
- Shapes Included: circle, square, triangle, rectangle, oval, rhombus, heart, star, pentagon, hexagon, octagon, crescent, trapezoid and semicircle.

How to Prepare

1. Print the pages on white cardstock or thick paper.
2. Laminate the cards for durability.
3. Cut around the outside edges of each printable.
4. Display the header on your classroom wall, bulletin board, focus wall, or circle time area.
5. Place the featured shape card directly beneath the header.

How to Use

Display the "Shape of the Week" header on a classroom wall, focus wall or bulletin board. Place the selected shape card underneath and change it when introducing a new shape.

During circle time, invite children to:

- Name the shape
- Trace its outline in the air
- Count its sides and corners
- Describe whether its edges are straight or curved
- Find matching shapes around the classroom
- Compare it with previously learned shapes

The cards may also be used for small-group instruction, shape hunts, sorting activities, classroom displays and ongoing shape review.

Please Note

Colors may appear slightly different depending on your printer, paper, screen settings, and ink.

Happy Teaching :)
