Alphabet Play Dough Mats

These hands-on alphabet mats help children develop letter recognition, letter formation and fine motor skills through play. Each mat focuses on one letter of the alphabet and includes uppercase and lowercase letter outlines, alphabet strips and a matching picture activity.

What's Included

- 26 alphabet play dough mats covering A–Z
- Uppercase and lowercase letter formation
- Alphabet strips with the focus letter highlighted in black
- A matching picture and vocabulary word on every mat
- Additional play dough details to add to each picture

Preparation

Print the mats on cardstock for added durability. Laminate each page or place it inside a dry erase pocket so it can be reused. Provide children with play dough in the suggested colors or allow them to choose their own colors.

How to Use

1. Introduce the focus letter and say its sound together.
2. Ask the child to find the focus letter on the uppercase and lowercase alphabet strips.
3. Roll the play dough into ropes and place it over the uppercase and lowercase letter outlines.
4. Use smaller pieces of play dough to complete the matching picture.
5. Say the picture word together and emphasize its beginning sound.

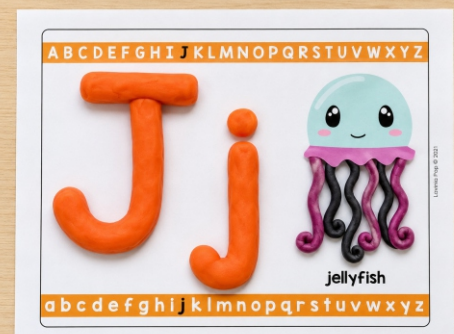

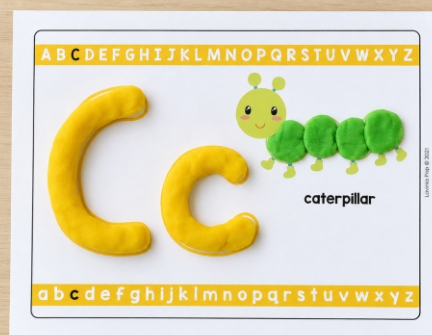

Learning Benefits

These activities support:

- Uppercase and lowercase letter recognition
- Correct letter formation
- Beginning sound awareness
- Alphabetical order
- Vocabulary development
- Hand strength and fine motor control

Adult supervision is recommended when children are using play dough.

Happy Teaching :)
