Introduction

This Meet My Family shaped writing book gives children a meaningful way to share information about the people who are important to them. Children will identify family members, create a family tree, explore activities their family enjoys, and write about their home.

The completed pages can be assembled to create an engaging family keepsake while developing early writing, oral language, and fine motor skills.

WHAT'S INCLUDED

- 10 black and white printable shaped pages
- Meet My Family cover page with a family portrait frame
- People in My Family page
- My Family Tree page
- Things My Family Does Together page
- At Home writing and drawing page
- American and Australian spelling options
- Additional drawing and writing pages
- Full page with primary handwriting lines
- Blank shaped page for flexible use

HOW TO USE

Choose the pages that best match your children's writing abilities and family experiences. Introduce each topic through a class discussion before children begin working.

Kindergarten children can draw, label pictures, copy names, dictate responses, or use beginning spelling. First grade children can write words, phrases, or complete sentences more independently.

After completing and coloring the pages, children can cut around the dotted outlines. Arrange the finished pages behind the cover, then staple or bind them together.

TEACHER NOTE

Families come in many different forms. Allow children to complete the sections that reflect their own family experiences. The home address page is optional and should only be used when sharing this information is appropriate for your setting.
