About This Resource

Make alphabet practice colorful and hands-on! These uppercase alphabet pages combine letter recognition with fine motor practice. With two versions included, children can explore letters using dot markers, stickers, and other favorite materials.

What's Included

- Uppercase alphabet pages covering A–Z.
- Two versions: circles with letters inside and empty circles.
- An animal illustration to color on each page.
- An alternative W layout in both versions.

How to Use

- Materials: Printed pages and your choice of dot markers, round stickers, play dough, counters, pom-poms, or other manipulatives.
- Setup: Print the letters you need. Laminate pages if you plan to reuse them with loose materials.
- Activity: Invite children to identify the uppercase letter, then fill or cover its circles. Use dot markers over the printed letters, place stickers inside the empty circles, or roll small play dough balls to fill the letter shape. Children can also color the animal illustration.

Educational Benefits

- Supports uppercase letter recognition.
- Builds familiarity with letter shapes.
- Provides fine motor and hand–eye coordination practice.
- Encourages careful placement and visual attention.

Use these pages for preschool and kindergarten alphabet activities, literacy centers, morning tubs, small groups, or learning at home.

Happy Teaching! :)
