INTRODUCTION

This resource includes a collection of autumn themed literacy worksheets and activities designed to give Kindergarten students extra practice with early reading skills. The activities combine worksheet practice with coloring, cutting, pasting, tracing, and word building to keep learning varied throughout the autumn season.

What's Included

1. Uppercase and Lowercase Letter Matching (6 worksheets): Children match uppercase letters on trees to lowercase letters on leaves.
2. Missing Letters (2 worksheets): Children cut and paste the missing leaves to complete each alphabet sequence.
3. Letters and Words Sorting: Children sort pumpkin tiles into letters and words.
4. Counting Words in Sentences: Children count and record the words in each sentence. Versions with and without counting dots are included.
5. Beginning Sounds (2 worksheets): Children name each picture and select the letter representing its beginning sound.
6. Syllables (2 worksheets): Children count the syllables in each picture name and select the correct number.
7. Beginning Blends: Children identify and select the beginning blend for each picture.
8. Word Families (5 worksheets): Children read and sort acorn words into the matching squirrel word families.
9. Rhyming Words: Children cut and paste pictures to make rhyming pairs.
10. Sight Word Recognition: Children find and color the target word on each pumpkin activity. Includes pre-primer and primer sight words.
11. Picture and Sentence Matching: Children read simple sentences and paste the matching picture beside each one.
12. Missing Sight Words: Children choose words from a word bank to complete autumn sentences.
13. Fall Colors Reader and Comprehension: Children read a short booklet and answer questions about its content.
14. Build a Word Booklet (11 words): Children trace each word, build it with letter tiles, and color the picture.

How to Use

Use these worksheets for morning work, literacy centers, small group instruction, independent practice, homework, or seasonal review.

Choose activities that match the skills you are teaching. There is no need to complete the resource in order.

Preparation

Print the worksheets you would like to use. Provide pencils or crayons, plus scissors and glue for the cut and paste activities. Sight word pages can be cut in half to focus on one word at a time.

For the Fall Colors reader, cut each page in half, arrange the pages in order, and staple along the left side.

For the Build a Word booklet, cut each page in half and staple along the left side where indicated. Leave the letter tile sections attached so children can cut out the letters as they complete each page.

Educational Benefits

These activities provide practice with:

- uppercase and lowercase letter recognition
- alphabetical order and missing letters
- distinguishing letters from words
- counting words in sentences
- beginning sounds and consonant blends
- syllable counting and rhyming
- word families and word building
- sight word recognition and use
- reading sentences and matching meaning
- reading comprehension
- fine motor skills through coloring, tracing, cutting, and pasting
