Fire Drill at School

When the fire alarm rings, I will stop what I am doing. I will not panic and get into line. Then I will follow my teacher outside. I will not go back inside to get my things. When I am outside, I will listen to my teacher's instructions.

1. What will I do when the fire alarm rings?
A run outside
B stop what I am doing

2. Who will I follow outside?
A my teacher
B my friends

3. Should I take all my things with me?
A yes
B no

INTRODUCTION

Help children learn about fire safety while practicing early literacy, math, and fine motor skills. Designed for Kindergarten, Prep, and Foundation students, this resource combines fire safety posters and coloring pages with themed worksheets and hands-on activities.

Use the activities during your fire safety unit, Fire Prevention Week, or when introducing and reviewing classroom fire drill routines.

What's Included

- **Fire safety:** A rules poster and five individual fire safety coloring pages.
- **Fire drill routines:** A steps poster and five individual fire drill coloring pages.
- **Stop, Drop, and Roll:** Boy and girl posters and a cut-and-paste sequencing activity.
- **Emergency numbers:** Emergency number practice for 911 or 000.
- **Safety awareness:** A “What Should You Do?” worksheet and a safe/not safe to touch sorting activity.
- **Fine motor activities:** A firefighter hat craft, tracing practice, and a firefighter maze.
- **Alphabet practice:** An alphabet sequence worksheet and four uppercase and lowercase letter matching pages.
- **Phonics:** Two beginning sounds worksheets, rhyming words, beginning blends, and syllable counting.
- **Sight words:** Five sight word scramble worksheets.
- **Reading and writing:** Label a firefighter, sentence and picture matching, sentence correction, reading comprehension, color words, and prepositions.
- **Number skills:** Counting from 0–10, numbers before and after, missing numbers, ten frame matching, tally mark matching, and comparing numbers.
- **Additional math activities:** Graphing, addition to 10, two pages of 2D shapes, and patterns.

How to Use

1. Choose and prepare. Print the pages that suit your students' learning needs. Gather pencils, crayons, scissors, and glue as required.
2. Introduce the safety concepts. Use the posters and coloring pages to support class discussions. Model the actions and review your school's fire drill procedures. Select the emergency number version appropriate for your location.
3. Practice and apply. Use selected worksheets during small groups, literacy and math centers, morning work, or independent review. Read directions aloud and provide support where needed.
4. Revisit the learning. Display the completed posters, sequence the Stop, Drop, and Roll pictures, and encourage children to explain the safety rules in their own words.

Educational Benefits

- Builds awareness of fire safety rules and emergency routines.
- Expands vocabulary related to firefighters, equipment, and fire safety.
- Strengthens letter recognition, phonics, sight word knowledge, and early reading skills.
- Develops counting, number sense, addition, shape recognition, and patterning skills.
- Supports fine motor control through tracing, coloring, cutting, and pasting.
- Encourages sequencing, sorting, problem-solving, and attention to detail.
- Provides opportunities to practice listening, following directions, and explaining ideas.

Happy Teaching! :)
